### OUR STORY

In 1970, my grandparents Eugene (Chick) and Rita Schueller operated the Town Clock Inn in the old Montgomery Ward Sports Department, in the lower level, Nesler Centre. All but one of Chick and Rita's six children worked in the restaurant making it a family owned, top rated business. In 1985, my mother, Stephanie, bought the Town Clock Inn from her parents. For 26 years my mom ran the restaurant while raising three children on her own. In 2009 my wife, Irene, and I bought the restaurant and are currently running it with the support of my mom and our three boys whom we hope to pass the business down to in the future. From time to time you will see members of our family helping out! We strive to make the same delicious tasting, quality food my grandparents made. We welcome you to our family and thank you for being a part of its success!
